Pat will make up a couple designs and will email out so that we can vote on them.
- c. FB pool winners – list of winners was presented.
- d. BB Half Pot and Bingo – worker list has been completed. Each bingo winner will receive \$25.
- e. Cookie Sales Update – we ended up with more dough than planned so made more cookies than expected but all were sold. We need 30 people to make 6 batches each or a combination of more people making dough but end result needs to be 180 batches of cookie dough. **Suggestions for next year** – Booster Club president send out email on dough and also keep track of people who commit to making dough.
